9.15am	Opening Lecture: WACP history and new frontiers of Cultural Psychiatry Goffredo Bartocci, President of WACP
9.45am	Vote of thanks, Wen-Shing Tseng, Founding President of WACP

Plenary Session 1

10.00am – 12.30pm Venue: Octagon

Theme: A new look at conflict and violence

Chair: Dinesh Bhugra

Co-chair: Kamaldeep Bhui

10.00am **Slavery and mental health: are the shackles off?**

Deji Ayonrinde (UK)

10.30am Tea Break in the Octagon Foyer

11.00am **Promoting civilian protection: engaging casualty data with culture, emotion, and intellect**

Madelyn Hsiao-Rei Hicks (UK)

11.30am **Terrorism and propaganda: marketing and messaging in history**

Nichola O'Shaugnessy (UK)

12.00 noon **Art transforming lives: young people, resistance and social transformation**

Paul Heritage (UK)

12.30pm Lunch in the Colette Bowe Room

Meeting: Board of Directors

12.30pm – 2.00pm Venue: Seminar Room, Ground floor, Library

Chair: Goffredo Bartocci

Plenary Session 2

1.30pm – 3.30pm Venue: Octagon

Theme: Young people and resilience

Chair: Stephen Stansfeld

Co-chair: Kwame McKenzie

1.30pm **Suicide in young people – the hidden epidemic in India**

Vikram Patel (India)

2.00pm **Exposure to violence and the mental health of South African adolescents in Cape Town**

Stephen Stansfeld (UK)

2.30pm **Marriage, family, life course and mental health: China**

Zhao Xudong (China)

3.00pm **Migration and mental health**

Peter Jones (UK)

3.30pm Tea Break in the Octagon Foyer

Plenary Session 3

4.00pm – 6.00pm Venue: Octagon

Theme: The future of Cultural Psychiatry

Chair: Wen-Shing Tseng

Co-chair: Goffredo Bartocci

4.00pm **Future of Cultural Psychiatry: cultural phenomenology, critical neuroscience and global mental health**

Laurence Kirmayer (Canada)

4.30pm **The future of Cultural Psychiatry: dimensions and perspectives**

Ronald Wintrob (Canada)

5.00pm **The Seligman error and the origins of schizophrenia**

Roland Littlewood (UK)

5.30pm **Cultural Psychiatry: scientific explorations, formal establishment, practical application to theoretical formation**

Wen-Shing Tseng (China/US)

Principal's Welcome Reception

6.00pm – 7.00pm Venue: The Octagon

Bollywood Film Evening: understanding emotional and visual media

7.30pm – 9.00pm Venue: ArtsTwo Lecture Theatre, ArtsTwo Building

Chair: Mitchell Weiss

A selection of short Hindi and Marathi films
(All films have English subtitles)

Professor Mohan Agashe (India)

Saturday 10 March 2012

Plenary Session 4

8.00am – 10.00am Venue: ArtsTwo Lecture Theatre, ArtsTwo Building

Theme: Spiritual and cultural perspectives

Chair: Goffredo Bartocci

Co-chair: Wen-Shing Tseng

- 8.00am **Spirituality and mental health**
James Boehnlein (US)
- 8.30am **Psychotherapy, culture and the supernatural**
Goffredo Bartocci (Italy)
- 9.00am **Cultural Psychiatry and the culture of truth**
Micol Ascoli (UK)
- 9.30am **Acculturation and mental health**
Morton Beiser (Canada)
- 10.00am Tea Break in the Octagon Foyer

Parallel Symposia

S1. Cultural Psychiatry in the East

10.30am – 11.30am Venue: Room 1.01.1 Francis Bancroft Building

Chaired by Mustafa Soomro

Taijin Kyofusho in Japan as a culturebound syndrome discriminated from social phobia in general

Hidehiko Kuramoto

Recognition of schizophrenic patients and social attitudes toward them - a cross cultural study in Vietnam and Japan

Masanori Isobe

S2. Critical Cultural Psychiatry

10.30am – 11.30am Venue: Room 1.08 Francis Bancroft Building

Chaired by Anthony Fry

Selfhood at the core of psychiatric practice. A new pluralism

Anthony Fry

Fluctuant attachment in Caribbean families in London

Francesca Zanatta

S3. Media mandate for mental health

10.30am – 11.30am Venue: Room 1.09 Francis Bancroft Building

Chaired by Mohan Agashe

Media matters for mental health

Mitchel Weiss

Mental health in everyday life (DVD)

Mohan Agashe and Mitchel Weiss

Media & health

Anand Nadkarni

S4. Traditional culture and emotional problems in socio-culturally changing society of China

10.30am -12.30pm Venue: Room 3.15 Francis Bancroft Building

Chaired by Zhao Xudong

Chinese Daoist cognitive therapy: from theory to practice

Jinfu Zhu

Investigating quality of life of caregivers of older patients with mental disorders and related factors

Li Wu

Analyses and solutions on college students' mental health problems - based on students' psychological assessment of Tongji University

Zhao Juan

Factors affecting the analysis of students' psychological adjustment

Sun Na

Family factors impacting on adaptation disorders of Chinese lower-grade college students

Yao Yuhong

An analysis on articles relating to the subject of cultural psychiatry appeared in the Chinese journals for the past three decades

Jie Li

The same difficulty between family and family therapist and the solution in mainland China

Dan Liu

S5. The ecumenical message of Latin American and French masters of cultural psychiatry: lessons for Europe

and the world

10.30am -12.30pm Venue: Room 3.16, Francis Bancroft Building

Chaired by Sergio J. Villaseñor-Bayardo

Masters of Mexican Psychiatry

Sergio J. Villaseñor-Bayardo

Five authors and three historical moments in Venezuelan Psychiatry

Carlos Rojas Malpicas

The cultural basis of educational ordinary violence

Daniel Delanoe

Les rapports entre Médecine Légale et Psychopathologie, selon Ambroise Tardieu

Jacques Arveiller

Discussant

Renato Alarcon

S6. Ten years after 9/11: conflict and solutions

10.30am -11.30am Venue: Room 3.18, Francis Bancroft Building

Chaired by Daniel Chen

On the 10th anniversary of the 9/11: what we have learned as clinicians

Daniel Chen

What we have learned from first response for mental health in disasters on the 10th anniversary of the 9/11?

Robert Crupi

Mental health counselling for children and families in disaster relief

Anthony Maffia

S7. Advances in Cultural Psychiatry training and culturally competent systems and service delivery in North America

10.30am -12.30pm Venue: Room 3.2, Francis Bancroft Building

Chaired by Russell Lim & Laurence Kirmayer

The UCD Cultural Psychiatry curriculum

Russell Lim

Cultural Psychiatry training in US

Francis Lu

The University of Toronto Cultural Psychiatry curriculum: an integrated approach to resident education

Lisa Andermann

Cultural Psychiatry training in Canada

Laurence Kirmayer

Assessing & enhancing organizational Cultural competence

Ted Lo

Culturally Competent Psychotherapy

Kenneth Fung

S8. Mental health and traditional healing in East Africa

10.30am -11.30am Venue: Room 3.21, Francis Bancroft Building

Chaired by Wielant Machleidt

Use of a phased model of treatment for refugees and asylum seekers with PTSD

Ken Carswell

Healing in altered states of consciousness

Barbara Stöckigt

S9. Culture and resilience in war and natural disasters

10.30am -11.30am Venue: Room 3.22, Francis Bancroft Building

Chaired by Madelyn Hsiao-Rei Hicks

War, resilience and culture in Afghanistan

Catherine Panter-Brick

Peer and family support as predictors of resilience among child soldiers in Nepal

Brandon A. Kohrt

Eco-cultural resilience: working with child-related psychosocial resources in war and natural disaster-affected communities

Joop T de Jong

S10. Innovative virtual encountering- an empowering tool for future global mental health among young people?

10.30am -12.30pm Venue: Room 3.23, Francis Bancroft Building

Chaired by Solvig Ekblad

Virtual clinical encounters in transcultural psychiatric training: the role of virtual feedback – a pilot study

Ioannis Pantziaras

Poverty health and violence in conflict situations towards women – innovative technical and pedagogic strategies

for prevention

Marianne Kristiansson

Mobile telephone-based diabetes control in developing countries: culture tailored innovative strategy – the virtual doctor

Mesfin Tessma

Virtual patient encounters to challenge patient-centered interviewing skills

Olivier Courteille

Can case-based virtual encounters enhance service staff's social awareness, attitude and understanding in the evaluation and management of newly arrived refugees - lessons learnt?

Solvig Ekblad

A historical view of case simulation methods for healthcare education and its significance for Psychiatry - what will the next step be?

Uno Fors

S11. Suicide & mental health in Africa

10.30am -11.30am Venue: Room 3.26, Francis Bancroft Building

Chaired by Heidi Hjelmeland

Moral discourses among Ugandan mental health workers on suicide and suicidal individuals.

Birthe Loa Knizek

Suicide prevention in Uganda: the views of mental health workers

Heidi Hjelmeland

Prevalence of traditional African beliefs and their impact on physical and mental illness in a Kenyan integrated primary health centre

Jean-Louis Aillon

S12. Marginalised groups

10.30am -11.30am Venue: Room 3.28, Francis Bancroft Building

Chaired by John Loh

Trans-cultural aging for Cambodian refugee women in the United States

Nicole Dubus

Schizophrenia in the everyday life: subjective experiences by patients, their families and community in the context of poverty, Brazil

Patricia Neves Guimaraes

S13. Trauma, conflict and displacement

10.30am -11.30am Venue: Room 1.13a, Francis Bancroft Building

Chaired by Aida Alayarian

Trauma, Torture and Dissociations; A psychoanalytic view

Aida Alayarian

Prevalence of common mental disorders and the association with resilience among internally displaced people (IDP) in Puttalam district of Sri Lanka. (THE COMRAID STUDY)

Chesmal Siriwardhana

Theorising brief psychosis – A culturally mediated response to trauma and acculturation in post-conflict Timor-Leste?

James Rodger

S14. Children and young people

10.30am -12.30pm Venue: Room 1.15, Francis Bancroft Building

Chaired by Armando Favazza

An ethnopsychology of the so called “child soldiers” of Nepal

Emilie Medeiros

Beyond truth and lies: improving narrative empathy in professionals working with unaccompanied minors

Gesine Sturm

Mental health of pre-school children exposed to forced internal displacement in Colombia: findings of a cross-sectional study conducted in four kindergartens in a low socio-economic neighbourhood in Bogotá

Ilse Flink

The identity negotiation of young women of Maghrebine origin in France

Sara Skandrani

The special needs of migrant children and their families in mental health care services

Türkan Akkaya-Kalayci

S15. Young refugees

10.30am -12.30pm Venue: Room 1.13, Francis Bancroft Building

Chaired by Matthew Hodes

Mental health problems of young refugees: duration

of settlement, risk factors and community based interventions

Henrikje Klasen

Refugee children: viewed as refugees or as children?

Ilse Derluyn

The mental health and service contact of unaccompanied asylum seeking children

Matthew Hodes

The trajectory of unaccompanied refugee minors in Belgium: expectations, agency and psychosocial wellbeing

Marianne Vervliet

S16. Disasters and Psychiatry

11.30am -12.30pm Venue: Room 1.01.1, Francis Bancroft Building

Chaired by Fumitaka Noda

Psychological aftershocks of great East Japan earthquake and tsunami: cross-cultural speculation on the attitude of victimized people in the affected area

Fumitaka Noda

the Chilean earthquake and tsunami

Robert Kohn

The East Japan disaster: 11 March 2011

Tsuyoshi Akiyama

S17. African Psychiatry

11.30am -12.30pm Venue: Room 1.08, Francis Bancroft Building

Chaired by Nasir Warfa

Concepts of psychosocial competence among young people in Northern and Central Uganda: an exploratory study

Catherine Abbo

Understanding of mental health and mental illness by young people in Northern and central Uganda: preliminary findings

Elly Okello

Khat use, traumatic events and common mental health problems

Nasir Warfa

S18. The Ulysses Syndrome in immigrants living in

extreme situations

11.30am -12.30pm Venue: Room 1.09, Francis Bancroft Building

Chaired by Joseba Achotegui

New data about “The Ulysses Syndrome” among immigrants in Spain

Joseba Achotegui

Ulysses Syndrome in children and adolescents. Specific typical characteristics

Dori Espeso

The immigrants returned to Peru. Study with the Ulysses scale of its psychological alterations

Jose Lopez Rodas

Symptomatology of the immigrants in extreme situations in Japan

Yu Abe

S21. Mental health legislation: race, culture and ethnicity

11.30am -12.30pm Venue: Room 3.18, Francis Bancroft Building

Chaired by Albert Persaud

Impact of discrimination on black and ethnic minority groups

Albert Persaud

Lessons and learning from New Zealand

Nemu Lallu

S23. Barbaric crimes and civilized response. US cultural approach to studying causes and finding solutions to serious crimes committed by the mentally ill

11.30am -12.30pm Venue: Room 3.21, Francis Bancroft Building

Chaired by Leon Ravin

American experience with outpatient commitment. Civil rights violation or guardianship of patient’s best interest

Leon Ravin

Preventable massacre? Untreated mental illness and cultural factors in notorious killings

Mustafa Rawaf

Cultural background and mental illness as factors in homicide

Christine Martone

S24. Resilience based therapy in a transcultural setting: theory and practice

11.30am -12.30pm Venue: Room 3.22, Francis Bancroft Building

Chaired by Kees Laban

Background and description of a resilience based work model

Kees Laban

The resilience based approach in practice: its application to a day treatment setting

Willem Thijs

Cultural aspects of resilience in refugee families

Simon Groen

S26. Spirituality, Ethnography & Psychiatry

11.30am -12.30pm Venue: Room 3.26, Francis Bancroft Building

Chaired by Simon Dein

New Zealand born Samoan youth, suicidal behaviours and the impact of spirituality

Jemaima Tiatia

Culture and psychopathology: an empirical cross-cultural comparison of ritual trances and possession trances

Antti Pakaslahti

S27. Diagnostic practice and validity

11.30am -12.30pm Venue: Room 3.28, Francis Bancroft Building

Chaired by Johan Havenaar

Assessing the cultural validity of the DSM-IV diagnosis of PTSD in a remote Asian village: A qualitative analysis

Amrit Kaur

Prevalence and ethnic Variation in the diagnosis of personality disorder in inpatients in East London

Amjed Hossain

Depression and the medicalisation of sadness: conceptualization and help-seeking

Gloria Durá-Vilá

S28. Family and intergenerational disorder in young migrant people: the Swiss and Italy experience

11.30am -12.30pm Venue: Room 1.13a, Francis Bancroft Building

Chaired by Michele Mattia

Could a conversive disorder, in adolescent girl, be reactive to intergenerational conflict within migrant family?

Michele Mattia

Devices of hidden social discrimination, good and unconscious oppressive practices

Pietro Barbetta

Psychopathological transgenerational implications in behavioural disorders. A clinical case with legal issues relating to an immigrant youth from Morocco

Camilla Callegari

12.30pm Lunch in the Colette Bowe Room

Meeting: Editorial Board

12.30pm-1.30pm Venue: 1st floor, Robert Tong Room, Queen's Building

Chair: Goffredo Bartocci

Parallel Symposia

S31. Cultural perspectives on understanding dementia and associated caregiving

1.30pm -3.30pm Venue: Room 1.01.1, Francis Bancroft Building

Chaired by Iqbal Ahmed

Effect of culture on perceptions of dementia

Rika Suzuki

Cultural factors and the impact on healthcare utilization for dementia services among Latino caregivers

Maria Llorente

Effective strategies to improve physical and psychological health among African American caregivers of patients with dementia

Rita Hargrave

The impact of dementia on the patient's sense of personhood: focus on cultural beliefs and behaviours

Helen H. Kyomen

S32. Update on cultural revision of DSM-5

1.30pm -2.30pm Venue: Room 1.08, Francis Bancroft Building

Chaired by Roberto Lewis-Fernandez

Contextualizing diagnosis in DSM-5: revising the cultural formulation and disorder criteria

Roberto Lewis-Fernandez

Culture and DSM-5: an endless story and a concrete history

Renato Alarcon

Discussant

Laurence Kirmayer

S33. Long term perspectives on the mental health consequences of forced international migration: a story of human resilience and adaptability?

1.30pm -2.30pm

Venue: Room 1.09, Francis Bancroft Building

Chaired by Edvard Hauff

Trauma, exile and mental health in young refugees

Edith Montgomery

Mental health and social adaptation of Vietnamese refugees. Long term and trans-generational perspectives

Aina Basilier Vaage

Acculturation, parenting and the inter-generational relationship: exploring resources and resilience among Vietnamese refugees in Norway

Laila Tingvold

S34. Cultural dynamic Psychotherapy

1.30pm -2.30pm

Venue: Room 3.15, Francis Bancroft Building

Chaired by Gian Giacomo Rovera

The network model in cultural dynamic Psychotherapy. Anthropological bases for a culturally appropriate psychological treatment

Gian Giacomo Rovera

Clinical experiences and applications of cultural dynamic Psychotherapy

Silvana Lerda

Training paths

Alessandra Bianconi

S35. Clinical and research report from the intercultural psychiatric program in Portland Oregon USA

1.30pm -3.30pm

Venue: Room 3.16, Francis Bancroft Building

Chaired by Paul Leung

History, development & challenges of a 34 year program for refugees and torture survivors

Paul Leung

Treatment outcome of tortured and non-tortured refugees

Crystal Riley

The psychiatric effects of long term refugee camp experience: The Burmese & Nepalese examples

Anthony Cull

The personal reflection on the role changes from Bosnian physician to refugee to Bosnian counselor to American psychiatrist

Amela Blekic

Multigenerational trauma after the Khmer Rouge: clinical care for Cambodian refugees and consultation to the documentation center of Cambodia

James Boehnlein

Psychiatric treatment outcome of torture survivor: 1 year follow up

David Kinzie

S36. Promoting resilience and mental health in young people and adults - a CareIF perspective

1.30pm -2.30pm

Venue: Room 3.18, Francis Bancroft Building

Chaired by Stephen Stansfeld

Mental health of South African adolescents in Cape Town: a comparison with East London, UK

Stephen Stansfeld

Promoting positive mental health

Dinesh Bhugra

Psychological treatment of South Asian students in the transition from adolescence to adulthood

Diana Bass

S37. Internet-based Interventions to foster better mental health

1.30pm -2.30pm

Venue: Room 3.2, Francis Bancroft Building

Chaired by Anil Thapliyal

The lowdown

Anil Thapliyal

The journal

Simon Hatcher

Face teen: many faces of teenagers

Samson Tse

S38. Natural histories of spirituality and therapeutics: empathy and healing

1.30pm -3.30pm

Venue: Room 3.21, Francis Bancroft Building

Chaired by David Hufford

Spiritual medical doctors in Puerto Rico: clinical perspectives

David Hufford

Near-death experiences (NDEs) and after-death contact experiences (ADCs) as therapeutic processes?

David Hufford

Tribal Psychiatry at a personal level

Edith Turner

Spiritual healing in Northern Nigeria: the Bori and the spirits

Frank Salamone

Christian fundamentalism and mental health in Appalachia

Larry Merkel

Discussant

Solomon Katz

S39. Ethnocultural problems of mental health of youth in Russia

1.30pm -3.30pm

Venue: Room 3.22, Francis Bancroft Building

Chaired by Valentin Semke

Ontogenetic problems of mental health of youth in Russia

Valentin Semke

Current patterns of addictive behavior among youth of Siberia

Nikolay Bokhan

Ethno-cultural and adaptive aspects of schizophrenia

Arkady Semke

Mental health of adolescents: crosscultural investigations

Irina Kupriyanova

Problems of mental health in patients with cardiovascular pathology

Galina Semke

Psychosomatic problems of youth of Siberia

Valentina Lebedeva

S40. The context of female suicide

1.30pm -3.30pm

Venue: Room 3.23, Francis Bancroft Building

Chaired by Samuel Okpaku

Female suicide in Africa

Samuel Okpaku

Gender-issues and suicide in different cultures

Erminia Colucci

Suicidal behaviour among female minority ethnic groups

Marianne Kastrup

Changing patterns of female suicide within a South India village

Helen Ullrich

Depression and suicide of Japanese working women: healthy workplace in consideration for female specific stressors

Lumie Rumii Kurabayashi

Suicide in Asian women – cultural issues

Lakshmi Vijayakumar

S41. Special and alternative interventions

1.30pm -3.30pm

Venue: Room 3.26, Francis Bancroft Building

Chaired by Rahul Bhattacharya

A unique model for supporting street homeless people with mental health problems in the path for recovery in Kolkata, India

Rahul Bhattacharya

Modified forum theatre: a novel means of prevention and early recognition of family abuse and domestic violence in an Australian Indian community

Manjula O'Connor

Sick and tired of being sick and tired: providing psychiatric services to homeless individuals with concurrent disorders and traumatic brain injuries

Kim Van Herk

Madness, rape and exile: adapting clinical and institutional approaches

Richard Simon

S42. Migration, acculturation and mental health

1.30pm -3.30pm

Venue: Room 3.28, Francis Bancroft Building

Chaired by Riyadh Al-Baldawi

Exploring how to optimise the professional contribution and enhance the psychosocial well-being of migrant and refugee healthcare professionals in the UK

Eleni Hatzidimitriadou

The Impact of migration and acculturation processes on family relations: psychosocial and psychosomatic consequences

Riyadh Al-Baldawi

Resilience among migrants: collectivism and religiosity as resources of psychological well being

Sandra Roberto

The impact of migration on forensic psychiatric patients

Susanne Bauer

S43. Culture and Forensic Psychiatry

1.30pm -2.30pm

Venue: Room 1.13a, Francis Bancroft Building

Chaired by Kalpana Dein

Mental health care of foreign nationals in UK prisons

Piyal Sen

Relationship between personality disorder and culture

Yueqin Huang

S44. Intercultural Psychotherapy

1.30pm -2.30pm

Venue: Room 1.15, Francis Bancroft Building

Chaired by Yemi Oloyede

Shared or borrowed language: implications for intercultural therapy

Yemi Oloyede

Two Cases of the Sexual Abuse of Patients by Overseas Doctors: Race and Reflexivity

Roland Littlewood

S45. Migration in the 21st century: resilience, bi-national functioning and globalization

1.30pm -2.30pm

Venue: Room 1.13, Francis Bancroft Building

Chaired by Ronald Wintrob

Migration to USA in the 21st Century; tensions in bi-national and bi-cultural functioning

Ronald Wintrob

Finding resilience and traditions in the arctic wilderness

Henrik Wahlberg and Cecilie Javo

Examining the paradox of resilience in biculturalism

John de Figueiredo

S47. Culture sensitive approaches for adjustment related disorders in multicultural clinical and school environments

2.30pm -3.30pm

Venue: Room 1.08, Francis Bancroft Building

Chaired by Maria Caterina Zaiontz

The Venosta Transcultural Clinical Protocol (VTCP): A transcultural clinical protocol for a culture-sensitive therapeutic setting

Maria Caterina Zaiontz

Adjustment- related challenges in a multi-cultural school setting: an empowerment-based protocol for promoting a culture-sensitive school environment

Giovanna Fungi

An interpretative phenomenological analysis of Congolese refugee men's perception of rape against women

Vittoria Ardino

S48. Psychodynamics of culture

2.30pm -3.30pm

Venue: Room 1.09, Francis Bancroft Building

Chaired by Rosalba Terranova Cecchini

Cultural psychodynamics in life-course transculturation

Rosalba Terranova-Cecchini

Transcultural family consultation in psychiatric services of Rome

Alfredo Ancora

Well-being according to the cultural Ego

Alessandra Manzoni

S49. Clinical competencies in cultural diversity

2.30pm -3.30pm

Venue: Room 3.15, Francis Bancroft Building

Chaired by Carla Moleiro

Cultural diversity competencies among clinicians: assessment strategies and their implications for training and clinical practice

Carla Moleiro

Meeting the needs: clients' perceptions of religious competencies for mental health professionals in Portugal

Carla Moleiro

Mental health social representations among multicultural youth: combining qualitative and quantitative approaches

Marta Goncalves

S51. New understanding of ethnic inequalities

2.30pm -3.30pm Venue: Room 3.18, Francis Bancroft Building

Chaired by Rachid Bennegadi

"To be or not to be": applied clinical Medical Anthropology in the healthcare system in France

Rachid Bennegadi

Black and minority ethnic men's constructions of emotional well-being

Frank Keating

Race, ethnicity, and adolescent well-being

Ravinder Barn

S52. Riots Symposium

2.30pm -3.30pm Venue: Room 3.2, Francis Bancroft Building

Chaired by Anthony Fry

The 2011 London riots: criminality, deprivation or race relations? An analysis of narratives and anti-narratives from a psychiatrist's perspective

Micol Ascoli

Silence, rebellion and acting out of the unsaid: understanding the French riots in 2005 from a postcolonial and ethnopschoanalytic perspective

Malika Mansouri

S58. Increasing Diversity Competence in Treating Various Mental Disorders

2.30pm -3.30pm Venue: Room 1.13a, Francis Bancroft Building

Chaired by Marrie Bekker

No DSM without a GSM: Increasing diversity competence in mental health care for Western-European ethnic minority groups implies the need for a Group-Specific Manual of Characteristics relevant for Mental Disorders

Marrie Bekker

Dropout and no-show in Dutch-Turkish and –Moroccan clients: A comparison between practitioners with varying experience levels in diversity-competence

Gabriella Sempertegui

Meaning of autonomy connectedness in a multi-cultural treatment context

Elisabeth Rutten

S59. Historical perspectives on public health, medicine and conflict

2.30pm -3.30pm

Venue: Room 1.15, Francis Bancroft Building

Chaired by Edgar Jones

Culture and disorders of distress: young men in the British Army

Edgar Jones

Psychological trauma in World War One: the perspective of the German soldier and psychiatrist

Stephanie Linden

Test tubes and turpitude: reproductive health and the medical profession in later Twentieth-Century Scotland

Gayle Davis

S60. Cultural consultation and competence

2.30pm -3.30pm

Venue: Room 1.13, Francis Bancroft Building

Chaired by John Owiti

The Complexity of Recovery: Narratives of Recovery from Mental Illness by Mental Health Service Users in the Community

John Owiti

A social network analysis of cultural competence among health care providers in two cities

Marie Dauvran and Vincent Lorant

3.30pm

Tea Break in the ArtsTwo Foyer

Plenary Session 5

4.00pm – 6.00pm

Venue: ArtsTwo Lecture Theatre, ArtsTwo Building

Theme: Cultural Psychiatry around the globe

Chair: Sergio J. Villaseñor-Bayardo

Co-chair: Ahmed El-Dosoky

4.00pm

Transcultural Psychiatry and addictions in Russia

Nikolay Bokhan (Russia)

4.30pm

Cultural Psychiatry in India

Ragu Raguram (India)

5.00pm **Cultural Psychiatry in Egypt and the Middle East**

Ahmed El-Dosoky (Egypt)

5.30pm **Masters of Transcultural Psychiatry in Latin America**

Sergio Villaseñor Bayardo (Mexico)

Gala Dinner

6.30pm Venue: The Octagon

Including art exhibition by Tajinder Bhui, live musical performance by Steve McDaniel, and a lecture on East London History by Alan Dein.

Sunday 11 March 2012

Plenary Session 6

8.00am – 10.00am Venue: ArtsTwo Lecture Theatre, ArtsTwo Building

Theme: Neuroscience and Cultural Psychiatry

Chair: David Vinkers

Co-chair: Thomas Stompe

8.00am **Psychotherapy and organic brain science**

Wielant Machleidt (Germany)

8.30am **Is the prevalence of psychotic disorders in black and minority ethnic defendants really decreased?**

David Vinkers (Germany)

9.00am **Culture, Emotions and the Brain**

Thomas Stompe (Austria)

9.30am **Audio-Visual media and emotions**

Mohan Agashe (India)

10.00am Tea Break in the Octagon

Parallel Symposia

S61. Culture and healthcare throughout the life cycle

10.30am – 12.30pm Venue: Room 1.01.1, Francis Bancroft Building

Chaired by Jon Streltzer

Introduction to cultural influences on health care

Jon Streltzer

Social Networking, Cultural Differences and Stress

Vincenta Leigh

Cultural issues in geriatric health care

Iqbal Ahmed

Integrating culture into mental health strategies for indigenous Hawaiian Youth

Deborah Goebert

Cultural issues in psychiatric consultation to primary care

Hoyle Leigh

S62. The maze of pathway of psychiatric healthcare and

help-seeking behaviors in central Italy

10.30am – 11.30am Venue: Room 1.08, Francis Bancroft Building

Chaired by Vittorio De Luca

Psychiatric culture in Italy between professional responsibility and paternalistic attitude: legal considerations in the field of inter-ethnic Psychiatry

Simone Bellardelli

The controversial role of private system within Italian psychiatric healthcare

Vittorio De Luca

Women helping women. A project to improve immigrant women's access to family counseling services in Rome

Amelia Argirò

The paradoxical crossroad of public mental healthcare in the era of public disengagement

Vittorio Infante

S63. Cross-cultural mental health challenges in New Zealand

10.30am – 12.30pm Venue: Room 1.09, Francis Bancroft Building

Chaired by Andrew Hornblow

Migrations, increasing diversity and mental health in New Zealand

Andrew Hornblow

Mood disorder in refugee and migrant populations

Sandy MacLeod

The criminalisation of the Maori mentally ill in New Zealand

John Grigor

Is the degree of demoralization found among refugee and migrant populations a social-political problem or a psychological one?

Lynne Briggs

Christchurch earthquakes: how did former refugees cope?

Andrew Hornblow and Sandy MacLeod

S64. Depression and suicide in the Chinese society

10.30am – 11.30am Venue: Room 3.15, Francis Bancroft Building

Chaired by Shuiyuan Xiao

Help-seeking behavior of patients with depression

Shuiyuan Xiao

A psychoautopsy study on suicide in a Chinese sample

Jie Zhang

Depression among rural elderly

Liang Zhou

S65. Migration and mental health

10.30am – 11.30am Venue: Room 3.16, Francis Bancroft Building

Chaired by Peter Jones

Psychosis in the city: socio-environmental adversity in East London and incidence of psychosis

James Kirkbride
